Experience:

IT Technician, Ashford School, Kent, UK March 2014
Worked a short contract in the IT department while another technician was on medical leave.

IT Intern, Ashford School, Kent, UK October 2012 - December 2012
Worked with IT team maintaining and troubleshooting computer systems. Used IT support tools such as Spiceworks, and VNC. Became familiar with Active Directory and Exchange, both to manage user accounts and setup software needed within the school.

Invigilator, Ashford School, Kent, UK June 2009 - January 2014
Facilitated standardized exams for high school students (A-Levels & GCSEs). Trusted to run examinations independently with minimal supervision, including handling secure materials before and after the exams.

Steward, Ashford School, Kent, UK November 2010 - December 2013
Greeted and directed students and their parents attending external music exams (Trinity & ABRSM). Liaised with the examiner to ensure the exams ran smoothly and on time.

Potato Grader, Morghew Park Estate, Tenterden, Kent, UK September 2013 - November 2013
Sorted potatoes during the harvest for a local farm.
